Subject: IRS Forms for Judge Henry's Signature

Suzie,

The three forms requiring Judge Henry's signature are forms we must file semiannually with the Internal Revenue Service.

They qualify the county to receive a rebate equal to 35% of the interest we pay to holders of three series of county bonds issued in September 2009 under a federal program called "Build America Bonds " The three issues are the Unlimited Tax Road Bonds Series 2009A, the Limited Tax County Building Bonds Series 2009B, and the Limited Tax Flood Control Bonds Series 2009C-2

Thanks

Jeff

The new secretary, Jerrri, is now onboard. She transferred from the Parks Dept and is fully trained on the computer program.

John reported that the single engine plane is down for repairs. It has already received a new starter and generator. It just needs to have the sprayer hooked back on and will be ready to go.

All trucks are up and running.

John reported that he went to the Commissioners for an additional \$125,000 for more chemicals and was approved.

Last year Mosquito Control gave 9.8% back to the reserve.

There is no air conditioning in the hanger; but generally everything is looking good.

The Mosquito Control Advisory Board met in open session for an Open Meeting on October 25, 2010 at the Dickinson Office Conference Room. The meeting was called to order at 10:18 AM by Barbara Hutchinson, President Pro Tem.

Present were Board members J. A. Fredericksen, Barbara Hutchinson, Leo Bookman and Keith Dill. Jerry Valentine was not present due to Cancer Treatments. Also, present was Director John Marshall. Gerre Elmore and Ashley Wilson.

APPROVAL OF AGENDA

Motion was made by Keith Dill to accept the agenda and seconded by Leo Bookman. All concurred.

APPROVAL OF THE May 25, 2010 MINUTES (as amended)

A motion was made to approve the minutes by Keith Dill and seconded by Leo Bookman. All approved.

DIRECTORS REPORT

John reported that the new budget was approved as presented with the exception of the new trucks. The tax rate will be set slightly higher than last years at 0.98496 per \$100 to keep the reserve at \$400,000. The court approved adding \$150,000 to the chemical amount. Our cost for the new chemical is \$.46 per acre. The new chemical is from Denmark, Chemnova. There is storage in Ennis, Texas.

There has been no change in personnel. Part Time and Overtime will show as temporary help.

It was necessary to terminate the night supervisor due to many ongoing health problems. The position was filled from current personnel. We currently have 1 opening, which will be filled after the 1st of the year.

Calls are averaging 1-2 per day. We are seeing some tidal action, and doing some spot spraying.

The spraying will shut down, and start maintenance at the Dickinson facility.

2011 is predicted to be much like 2010. We may have a storm.

An auto spray control was installed on the new plane.

The District must have a Water Discharge Permit by April. It is good for 3 years. This is new for the District. Last February the EPA ruled that everyone except homeowners would be included. It costs about \$500. All of our electronic systems are capable with our computer program to make reports automatically. We are waiting for maps from the state to start. This ruling may be repealed by the state then the US Congress.

Webster and Seabrook are considering getting out of the mosquito business, due to the new rule. Ashley does 99% of the data base now.

The next rain will produce a major hatch off.

The Mosquito Control Advisory Board met in open session for an Open Meeting on March 8, 2011 at the Dickinson Office Conference Room. The meeting was called to order at 10:07 AM by Barbara Hutchinson, President Pro Tem.

Present were Board members J. A. Fredericksen, Barbara Hutchinson and Leo Bookman. Keith Dill was unable to attend; and Jerry Valentine was not present due to Cancer Treatments in a Chicago Hospital. Also, present were Director John Marshall, Gerre Elmore and Ashley Wilson.

APPROVAL OF AGENDA

There was no agenda for approval.

APPROVAL OF THE October 26, 2010 MINUTES

A motion was made by Leo Bookman to approve the minutes and seconded by Jim Fredericksen. All concurred and the minutes were approved.

DIRECTORS REPORT

John reported that the District is coming out of the winter maintenance period. The single engine plane is still waiting for the return of its radio. The Bi Plane passed its inspection. The spare start generator has been located and will be installed on the wings of the larger plane. It is reported that the modification will improve in flying slow when spraying.

The night crew will begin working its night schedule about April 1st.

We are currently getting 1-2 calls per day.

Rufus Barnett retired and the position was filled for within by Paul Thubedeaux. He will move to the night schedule that gives 2 vacancies now and applications are being taken. The County requires 4 pay periods (8 weeks) before a position can be filled. The positions should be filled by July.

The District continues to increase in acreage for spraying due to new developments. That growth may slow now due to the economy.

The Waste Discharge Permit required by the EPA by April 7th or 9th has been delayed. The changes that EPS is making are still incomplete, and it is possible that the District will not have to meet this requirement. John and Ashley will go to California regarding this matter. Congress may override the rule and take to matter off the agenda.

We are behind 3 ½ inches in rain so far this year. It is usually about July before the heavy season begins.

Leo asked about the delivery for the new chemical. John stated that the new chemical is stored in Ennis and other locations in Texas, making it unnecessary to keep as large an inventory and we have previously.

In addition, advanced industrial and technological growth has given us tremendous economic freedom, and

Whereas, despite our good fortune, the times in which we live remain uncertain and Americans are faced with challenges abroad and on the homeland. The economy, escalating gas prices, the housing market, job shortages, ongoing debates over alternate lifestyles, freedom of choice and the lingering devastation caused by Hurricane Ike and other natural disasters throughout our nation are some of the major issues facing today's society, and

Whereas, it is during these times of trial that many rely in the power of prayer for peace of mind. The freedom of religious expression has been passed down to the American people and is a gift we hold dear, and

Whereas, National Prayer Day is an annual observation inviting people of all faiths to pray for our nation. It was first created in 1952 by a joint resolution of the United States Congress and signed into law by President Harry S. Truman. Traditionally, the President of the United States and the governors of all 50 states join in asking that the first Thursday in May be recognized as the National Day of Prayer. Whereas, every year, thousands of elderly and disabled citizens are victims of abuse, neglect and exploitation and denied many of their rights, because elder abuse knows no boundaries as it affects all racial, cultural, religious and socio-economic groups, and because in 2010, more than 103,401 in-home intakes were received, 82,802 investigations were completed, and 56,053 cases were confirmed with victims of abuse, neglect or exploitation in the State of Texas, and

Whereas, the health and well-being of elderly and disabled people in Texas and Galveston County should be one of our highest priorities and of concern to all Texans, and because no aspect of our society, culture, technology, agriculture, science, sports, or education would enjoy its current prominence without the contribution from those who are elderly or have disabilities, and

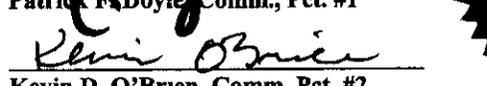

Whereas, we recognize the benefits of wisdom, strength, courage and knowledge of the elderly and disabled, and because the experience of their generation and contributions can only aid our great State of Texas in meeting the challenges of its future, and because people who are elderly or have disabilities are among the most important resources of this great State, and because it is fitting that we as a community recognize the need to protect their health, safety and rights, and

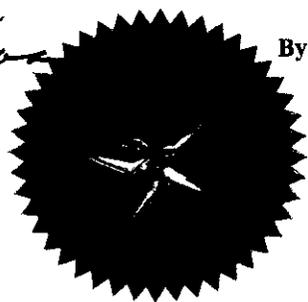

Whereas, the Commissioners' Court on behalf of itself and the Department of Adult Protective Services and Galveston County wishes to once again pay proper respect to our **Older Americans** by celebrating the month of May as **Older Americans' Month** in recognition of our **Older Americans'** invaluable services and great worth, by promoting public awareness of the pervasive problem of abuse, neglect and exploitation of the elderly and adults with disabilities, and to encourage citizens to get involved in making a positive difference within their communities. The public's attention should be called to this worthwhile event

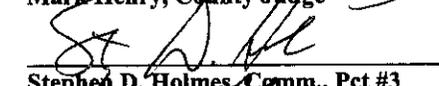

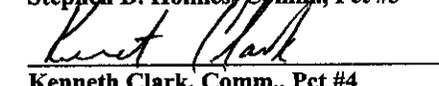

Now, Therefore be it Resolved, that the Commissioners' Court of Galveston County does hereby proclaim the month of **May, 2011** as **Older Americans Month** with this year's theme of "**Protecting Vulnerable Adults – It Begins With You**" and wishes to call to the attention of our citizens within our communities the important role that members of our elder generation play in our communities and to promote their longevity and well being by protecting them from abuse, neglect and exploitation through investigating, providing or arranging for services as necessary to alleviate and/or prevent further maltreatment of our elders for they continue to improve the richness and quality of our lives and the communities in which we reside

Upon Motion Duly Made and Seconded the above **Resolution** was unanimously passed on this 26th day of April, 2011

COUNTY OF GALVESTON

On this the 26th day of April, 2011, the Commissioners' Court of Galveston County, Texas convened in a regularly scheduled meeting with the following members thereof present:

- Mark Henry, County Judge;
- Patrick F. Doyle, Commissioner, Precinct No. 1;
- Kevin D. O'Brien, Commissioner, Precinct No. 2;
- Stephen D. Holmes, Commissioner, Precinct No. 3;
- Kenneth Clark, Commissioner, Precinct No. 4; and
- Dwight D. Sullivan, County Clerk

when the following proceedings, among others, were had, to-wit:

Whereas, the members of the Commissioners' Court note that effective April 30th, 2011, after a life of dedicated public service, Investigator Richard Friedley will officially retire from his position in the Warrant Division in the Galveston County Sheriff's Office; and

Whereas, Richard, upon completing studies at the College of the Mainland Law Enforcement Academy, began his law enforcement career as a deputy sheriff assigned to the Corrections Division in December of 1985. He was described at that time by his instructors as an outgoing and ambitious young man who showed both a high level of dedication to his duties and who exerted his best efforts at all times; and

Whereas, Richard's performance, since his first day of duty, continued to excel. Being soon recognized by his supervisors as a capable employee in 1988 he was promoted to Corrections Unit Supervisor wherein he addressed increasing management responsibilities. In 1991, Richard chose to pursue new challenges by moving to the Warrant Division wherein he honed his skills by dealing with complex civil process issues. Throughout the years, Richard continued to develop considerable knowledge and expertise by managing vast amounts of court orders that had to be served in a timely and proper manner. Despite the challenge, he dedicated himself to assuring that each task at hand was performed quickly and competently. His reputation amongst his peers and in the legal community soon spread and he quickly became the "go-to guy" for civil process matters. In addition, he unselfishly trained other deputy sheriffs as they were assigned to the Warrant Division; and

Whereas, since he first began his career in law enforcement Richard's conscientiousness has been a substantial factor in ensuring the efficiency of whatever responsibilities came his way. He always stood ready to perform whatever duty he was assigned in a competent and willing manner. Additionally, he always took time to serve as a coach and trainer to those with which he worked, sharing his experiences and helping to encourage others to perform beyond what they thought they might be capable of accomplishing; and

Whereas, Richard's retirement, because of his skills, integrity, and dedication to duty will doubtless leave a void in the hearts of the people he has served with for so long and so well. His versatility and creativity have certainly improved the operations of the Galveston County Sheriff's Office. While we are pleased to learn that he will remain aboard as a reserve deputy sheriff to share his knowledge and skills, his daily presence will be missed by all of those who have had the privilege and honor of serving with him. It is indeed appropriate at this time to publicly honor him and recognize his contributions to the citizens of Galveston County.

Now, Therefore, Be it Resolved, that the Commissioner's Court of Galveston County, Texas hereby pays tribute to Investigator Richard Friedley for his many years of outstanding public service and extends to him its best wishes for continued success and happiness for years to come.

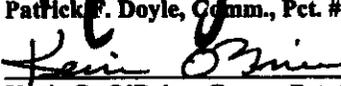

Be it Further Resolved, that a copy of this Resolution be spread upon the minutes of this Court and the Original hereof be furnished to Richard Friedley in appreciation of his nearly 26 years of continuous public service.

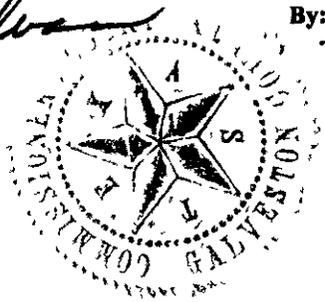

Upon Motion Duly Made and Seconded, the above Resolution was unanimously passed on this the 26th day of April, 2011

Hi Roxann – attached are the articles of Incorporation and the By Laws for the Gulf Coast Community Protection and Recovery District, Inc

The original members of the District are all the County Commissioners and with the exception of Judge Yarbrough being replaced by Judge Henry, I believe all the others are still active

Honorable Joe King, Brazoria County Judge
Honorable Jimmy Sylvia, Chambers County Judge
Honorable James Yarbrough, Galveston County Judge
Honorable Ed Emmett, Harris County Judge
Honorable Ron Walker, Jefferson County Judge
Honorable Carl Thibodeaux, Orange County Judge

Former Harris County Judge Bob Echols was made the President of the District and I gave you the engineering firm selected, Dannenbaum, and the Bank was Frost Bank. I am not certain who the Vice President, Treasurer, and Secretary are and I will try to obtain this information. The Chairman for the District was Galveston County Judge Yarbrough at the time and I am not certain who was elected Vice Chairman but I will find out.

The District needs to pick three at large members for it to be complete and this was to be decided at the November meeting, which never materialized.

For your and Judge Henry's information, Dr. Bill Merrell has made many, many presentations of "Ike Dike" and has been interviewed by all the media, newspapers, including the Wall Street Journal, and even made a trip to see one of the "Ike Dikes" in Holland.

I may be giving you too much information but a lot of time and effort in promoting the "Ike Dike" concept was made. I thought you and the Judge would like to know that I have made several "Ike Dike" presentations to various organizations and groups including

- ❖ **Rotary Club of Galveston**
- ❖ **Kiwanis Galveston**
- ❖ **Pachyderm Club in Galveston**
- ❖ **Port of Houston**
- ❖ **Greater Houston Partnership Flood Control & Waterways Committee**
- ❖ **HGAC Natural Resources Committee**
- ❖ **Bay Area Houston Economic Partnership**
- ❖ **Houston Ship Channel Industry Group**
- ❖ **Economic Alliance Group**
- ❖ **ASBPA Florida Conference**
- ❖ **West Galveston Island Property Owners Association**
- ❖ **Texas Chapter of the ASBPA**

We have worked closely with Dan Seal of BAHEP and these are the organizations they made Ike Dike presentations to

- 1) Clear Lake Area Chamber of Commerce Board of Directors
- 2) The Bay Area Transportation Partnership Board of Directors
- 3) The Seabrook Rotary Club
- 4) The Clear Lake Community Association
- 5) The Friendswood Community and Economic Development Committee
- 6) The Bay Area Community Advisory Panel (BAYCAP)

- 7) The League City Economic Development Corporation
- 8) The Galveston Island Rotary Club
- 9) La Porte Community Advisory Panel
- 10) La Porte City Council
- 11) Houston Region Economic Development Alliance
- 12) Bay Area Houston Economic Partnership International Maritime Advisory Committee (Congressman Pete Olson in attendance)
- 13) Bay Area Transportation Partnership (general membership)

I will get you the missing information but the bottom line is to resurrect the Gulf Coast Community Protection and Recovery District, Inc. Let us know how we can be of assistance or the type of information you would like. Dr. Merrell and I can meet with the Judge at his convenience.

Jerry

RE: Mosquito Control Chemical Price Increases

To Whom It May Concern

Please be advised that our producers have increased our factory cost for 2011 by 4.3 percent. Unfortunately, the way inflation is projected over the next several years, there will be further increases. The current rise in costs is due to higher energy prices and freight.

Thank you for your continued cooperation and if we can be of further assistance to you and ADAPCO, Inc please do not hesitate to contact our office.

Sincerely,

Terry L. Couch, Ph.D

Dear Ms Russell

Effective January 1,2011, Bayer Environmental Science will issue a 2-3 % price increase on its mosquito control product line. These price increases were implemented to assist with the rising costs of raw materials.

As always, we appreciate your support of the Bayer Vector Product line. If you have any questions, please feel free to contact me at the number listed below.

From: Evelyn Markides, Manager
Senior Services Division

Subject: Exemption from 4 payroll period hiring freeze

Diane Aymes our Data Tech for 9 years has announced her retirement effective April 29, 2011

The data entry technician performs a vital job with the end result being data submitted in the form of reports to funding sources for reimbursement and payment for services we provide to senior consumers in Galveston County. Those funds pay for salaries, food, and resources in general to support the services we provide to seniors.

There are specific deadlines that must be met. These deadlines are from our funding sources, the major source being the Houston Galveston Area Agency on Aging. All consumers must have current intakes in order for reimbursement to be made and must be submitted by the 15th of every month on an annual basis, and processed for authorization and credit. The monthly report is due on the 7th calendar day of every month in order for us to receive a timely reimbursement for that month's services. We are also subject to a bad rating or "report card" if we do not follow through with these requirements.

Data must be entered into our client tracking system (SAMS), and service delivery rosters are updated weekly due to consumer changes affecting service delivery. Units of service are entered daily to keep up with the volume. And finally for the HGAC vendor report for reimbursement, another data log, their excel reimbursement spreadsheets need to be completed for each of 3 service deliveries for a month. Average number of monthly units of service is 27,000 units and/ or 900 consumers. Basically these units need to be entered into two different data bases as required.

It is crucial to our Division to have this work performed on a daily basis and will present a hardship for our staff to fill in this function for an extended period of time as well possibly cause critical deadline hardships.
